## Tour Description

See everything Toronto has to offer from our world famous EcoCabs! Driven and narrated by your very own city guide, these unique pedal-powered bicycles will allow you to see Toronto at your own speed and only visit the attractions you choose. Our city tours are fun, friendly and fuel-free making them a great experience and good for the environment as well. Be green and seen as you ride through Toronto's diverse neighbourhoods, popular attractions and amazing shopping, restaurants and events all from the comforts of your very own EcoCab.

## What is an EcoCab?

An EcoCab is an electric assisted 3-wheeled bicycle that offers riders a truly unique, fun and safe sightseeing experience. Operated by a professional driver acting as your own personal tour guide, the EcoCab is a great way to see the city.
